Per G.S. SINGHVI, C.J.

In this petition filed as a piece of public interest litigation, Shri B. Nachiketh, who is practising as an advocate at Hyderabad, has prayed for issue of a mandamus to the respondents to introduce mechanized boats for crossing the river flowing between Kurnool and Mahabubnagar and to take permanent measures including erection of bridge across the river.

On 12.02.2007, the case was adjourned for today because the learned Government Pleader appearing for respondent Nos. 1, 2, 5 and 6 made a statement that the issue relating to introduction of mechanized boats for carrying on passengers during festive seasons is under active consideration of the State Government.

Today, the learned Government Pleader, on the basis of the instructions given to him, made a statement that the Government has decided to introduce mechanized boats for carrying on the passengers across the river flowing between Kurnool and Mahabubnagar. He further gave out that action has already been initiated for construction of permanent bridge across the river.

In view of the above development, the writ petition is disposed of as infructuous.
